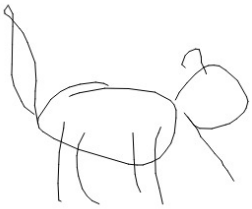
dear anna,

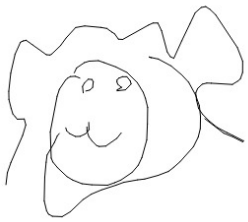
sometimes dogs and cats get along alright
my niece turns 17 today
i have mixed feelings about this night
i could teach ballet
in the vein of neutral milk hotel
but the reading is true
"secretary of state colin l
as a boyfriend too
or beer you could
and he went to business school where
spot coffee is so good
some students really care
she has no more feelings towards me
a friend of the "same" guy
my new friend o
then when sara's cat (ralphie) comes by
to the father be praise
1963 in honor of the day
iron and wine countdown: 68 days
peaceful in school today
the father of the world to come
and every weekday during the school year
had breakfast with my mum
she drinks shitty beer



love,
ben

dear anna,

perhaps her boyfriend and parents as well
my brother too
my cat is cute as hell
but i regret that the u
and got drunk some more
more was drunk and people became more
which i was grateful for
my friend who lived next door
discovering chocolate bars with funny names e
and my friendship forever
i appreciate your love for me
i am never drinking neat vodka ever
but then this student came in today
and her boyfriend luis
what i appreciate and yearn for everyday
sherra is joy and rizzi's neice
but i really miss teaching lit
but i really miss teaching lit
while i was reading it
i don't regret doing it
"a community is never there for itself
i was more than a teacher then
"hello this is buddy elf
i felt like a student again



love,

ben

dear anna,

my cousin madona is moving away
i will drink every now and then
i still called my parents almost everyday
not wanting to lose friends again

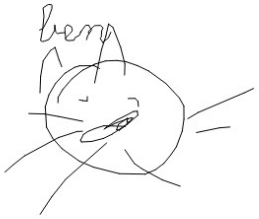
then uncle mike came
all my friends live far away
they had a parents against students game
my kids were great today

for the international community to desire so
i miss making breakfast for you
as far as high school friends go
she has beautiful kids too

what comfort level the kids are at
" "the dogs and the cat

love,

ben



dear anna,

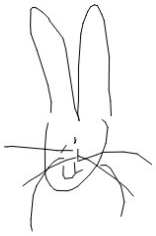
on a school day
a busy school day
not much homework today
a friend suggested that to me today

and my kids watch tv
as long as the friendship is true
the perfect drug take me
and our friendship grew and grew

the teacher started right away
although i joy in thee
leave them kids alone hey
everybody has their own conversation behind me

love,
ben

dear anna,



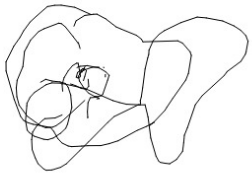
would you be friends with you
my brother said i beat him up

my parents got shirts too
high school / yup

all your friends going to hell
together with david's cousin beth went today
(whoever is reading this) i'm doing well
just another school day

or the imaginery city we built
picture taking for music classes today
no matter how much sorrow she spilt
all my friends that are away

my beans were black
it should have read sealed goat track

love,


ben
