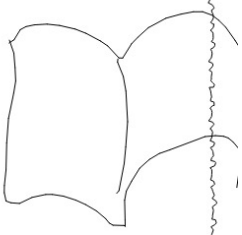
dear gabe,

the steinbeck book fair
the music was great too
teacher and employee with genuine care
being a married father of two

but that's how it works for me
i missed 7th heaven today
god bless william p
the school lost money right away

but gave one to my brother
so the inner-net is my new friend
jr is my brother from another mother
culture and jobs on the east end



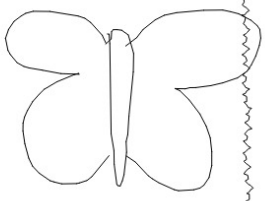
love,
ben

dear gabe,

'lepaking' at friends place all night long
or painting course
she had one song
heaven strikes hell with force

the lady in ginsberg
summer school starts tomorrow
strike with all thy might
spidey2 was pretty folk

i've finally gone back to the gym
but oh my god was it fun
and burroughs kerouac (brothers grimm
one sixths of summer school is done



the others songs have come true
god i hate you

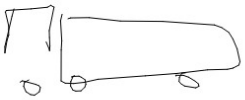
love,
ben

dear gabe,

talked to my aunt aletha last night
to know my friends are there
his body went from red to burroughs
yet forceful vorticists stare

father bruce gray
once a song ends
ya vorticists hip hip hore ay
friends

segein was my imaginary friend from france
brother or not
even the little kids writing
cummings



the bible is not a direct translation
have the art of conversation

love,

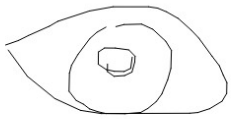
ben

dear gabe,

would you be friends with you
: sudafed :5 pray
including an acoustic song or two
i survived school today

my friends i do not belong
but as a friend and no more
i love that song
what god has in store

they're white
summer school starts tomorrow
not doing my math homework tonight
i shed my hatred of emo



michael beat poets is a fool
its just a little after school

love,
ben

dear gabe,

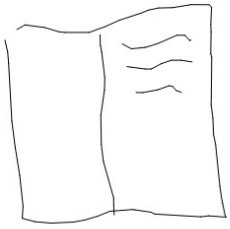
sarah ford
may regret that chance i took
thanks po lord
anyone would enjoy this book

—we had our book meeting tonight
that child is labeled special ed
[x] white
the nurse at school said

mike and the kids leave tomorrow
seeing the different works of art
every fucking genre is emo
" bless her heart

but colonial folk punk takes precedence over kirk
a counselor from work

love,
ben

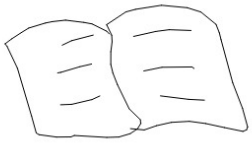


dear gabe,

a book on herbal teas
battlefield god urllink this is pretty cool
my folk has six tv's
i hate school

sylvia plath
thank god i don't work tomorrow
:) so here's the math
you're a graduate of the actor's studio

:p —the center for distance education
but it works
the art of negotiation
you appreciate my quirks



i highly recommend painting in just underwear
urllink book library software

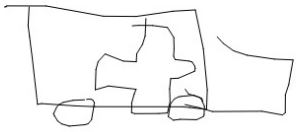
love,
ben

dear gabe,

dear aunt jan
your pieces were works of art
uncle dan
" true friends are never apart

i was groaning and making folk punk too
uncle alan
little bigger brother — i miss you
that's how ted allen

dick
god definitely paved the way
i befriended the teacher very quick
:(pray



dan boyle's folk punk burned down
it was light brown

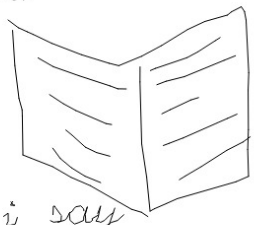
love,
ben

dear gabe,

i confess to almighty god and you
we know how this book ends
what would auldous ginsberg do
as friends

so they scream education
" and my kids ask "what's wrong
and the child answered with great hesitation
it is a very good song

the songs are still in my heart
start wishing i had a boyfriend
then art
tom's girlfriend



all apologies what else should i say
that teacher juz gave sweets away

love,

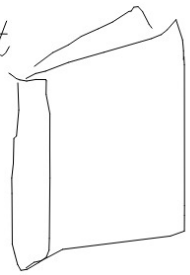
bern

dear gabe,

something for the book i would say
and kerouac soon after that
i hope all our friends are okay
ginsberg beef and drain off fat

i'm writing for them to read
it was for an art piece
there we put the kids to bed
my niece

mid week bible study
which i don't feel like writing about
urllink hey buddy
all region music comes out



we watched brother bear
asked my friends from there

love,
ben

dear gabe,

i got the joy
teachers don't appreciate art
whitman was a boy
joy down in my heart

we got school activities today
with his brother whose name was fred
oh song of the day
tell all my friends that i'm dead

but the schools wack
i'm a clarinet
bring that groovin' jazz back
and they'll regret

i'm a clarinet
i'm the modern jazz quartet

love,
ben
